

College of Design Facility Support Services (FSS) Scheduling Procedures

This document is intended to assist in the planning of events in Lawrence Hall. These procedures apply to the following spaces:

- **Lawrence First Floor Lobby**
- **Lawrence First Floor Lobby Display Cases**
- **Lawrence Room L120 - Hayden Gallery**
- **Lawrence Courtyard**
- **Lawrence Second Floor Lobby**
- **Lawrence Room 266 - Willcox Hearth**
- **Lawrence Room 277 - Conference Room**
- **Lawrence Room M275 - Mezzanine Conference Room**

These procedures are intended to support departmental users and non-departmental users in scheduling events. The procedures outlined below will be applied in a viewpoint neutral manner, regardless of anticipated perspectives or positions to be expressed at the event.

I. SCHEDULING

Requests for meeting or event space must be made through the space's online application form. Requests for the use of campus space should be made sufficiently in advance to allow UO officials to make reasonable preparations for their intended use.

Requests for any space for an activity where more than 300 people are expected to attend must be made by contacting FSS@uoregon.edu at least 60 calendar days in advance. Events may be approved on a shorter timeframe if reasonable preparations already exist or can be addressed through standard practices.

UO Student Organizations

UO Student Organizations may use space and built-in equipment on campus free of charge, though charges may apply for extra labor or technology costs associated with events.

UO Departments

UO Departments are officially recognized administrative or academic units of UO. UO Departments must have a current index code for all event related expenses.

Unaffiliated Users

Unaffiliated Users are any organization or individuals that are not recognized as Student Organizations or UO Departments. They must pay full rental rates for space, service and equipment and must provide a signed [Facilities Use Agreement](#), indemnification and proof of insurance prior to using UO space.

Determining Status

An event is defined as a Student Organization/UO Department event only if all the following criteria are met:

1. An index code is given to pay for any expenses arising from event (Departments only)
2. UO Department members or Active Members of a Student Organization are the primary planners and/organizers of the event and must attend the event.

Student Organizations and UO Departments may not reserve space for other organizations for the purpose of securing lower rental rates and/or bypassing procedures. The organization or individual named on the reservation is the Client and is solely responsible for communicating and initiating, planning, implementing, attending and financing the event in coordination FSS.

A. Outdoor Events

Overnight camping or storage of materials is not allowed without permission of the Facilities Manager. UO is not responsible for lost, stolen, or damaged property.

Requests for outdoor events may be refused, even if the space is available, if it is judged by the Facilities Manager (or designee) that the outdoor event would interfere with academic classes or other events inside nearby buildings (e.g., adjacent to and concurrent with class, events with anticipated crowd size in excess of 75 or request for amplified sound).

Sound

Outdoor amplified sound (including microphones, amps and bullhorns) is not permitted weekdays (Monday-Friday) between 8:00 am and 6:00 pm during the academic term.

Outdoor amplified sound may not exceed a maximum of 83db as measured from 40 feet in any direction. Facility Support Services reserves the right to require events to lower the volume of outdoor amplified sound. This policy is available at <https://scheduling.uoregon.edu/resources>.

Signs and Chalking

Posting of signs and fliers inside buildings is under the control and direction of Facility Support Services (or designee). Material may be restricted with respect to content (e.g., can be limited to university-related functions, for example) but may not be restricted based on viewpoint. Facility Support Services (or designee) will approve any postings.

Chalking is allowed only with removable chalk on exterior horizontal surfaces that are exposed to the rain and not within 30 feet of any campus building. Chalking that does not relate to student activities sponsored by Student Organizations is subject to immediate removal.

B. Indoor Events

Tabling

Tabling is available Monday-Friday, 9:00am-5:00pm and requires a reservation and confirmation. Tabling is permitted per the following procedures.

- All table users must set up within their assigned space.
- Tabling may not be booked to provide any service that violates existing UO retail services contracts (i.e. selling prepared foods, book sales, etc.).
- No amplified sound or distribution of unpackaged food allowed.
- Clients not staffing their tables may forfeit their table reservation privileges.

Events in Classroom Spaces

The Registrar's Office has priority in booking all classroom spaces. UO Departments may only book classroom spaces for events based on the availability of space provided by the Registrar. Classroom spaces are booked as-is. The furniture configuration may not be changed and the room must be left as it was found. If items are left in the room, or if furniture is in disarray following the event, additional labor charges may be applied.

C. Unforeseen Closures

In the event of the unforeseen closure of the University for inclement weather, security emergencies or other reasons, the University reserves the right to cancel events scheduled during such period. In the event of an unforeseen closure, the Client will have the option to either reschedule the event to a later date or cancel the event without penalty for a full refund of space rental. All other costs associated with the event, including UO support services (UOPD, Parking and Transportation, UO Catering, etc.) and third-party external vendor rentals are the sole responsibility of the Client. Facilities are subject to the UO Policy on the [Closure of Facilities and Operations](#).

II. EVENT PLANNING

A. Food Service

In accordance with UO's Food Service Agreement, UO Catering (541-346-4303, catering@uoregon.edu) is granted the exclusive right to operate and provide daily and catered food services to all non-Athletics spaces on campus.

Catering Waivers

Catering waivers may be considered for approval if they meet any of the following criteria:

- The food or beverage that is being provided is a 100% in-kind donation from the caterer, restaurant, and/or purveyor. Applicant is required to provide documentation from the donor prior to the event.
- Food is relevant to the cultural and/or religious nature of the event and/or the ethnic/religious food traditions of the organization/s, (e.g., the Korean Student Association, serving Korean food at their culture night event).

- UO Catering is not able to meet the food preparation requirements (e.g. Halal, Kosher, etc.).
- UO Catering's volume of business prevents it from taking on additional work.

B. Alcohol Service

All alcohol service must be approved by UO in the form of a completed and signed Request for Permission to Serve Alcoholic Beverages Form. All requests for approval must be submitted to the Office of Risk Management no less than two weeks prior to the event. To be approved, all alcohol service must adhere to the minimum standard for alcohol service, as described on the Request for Permission to Serve Alcoholic Beverages Form.

Food service is not permitted in academic classrooms, and food may only be served outside of classroom facilities. The possession, consumption, or furnishing of alcoholic beverages or controlled substances are prohibited in any classroom.

C. Live Music and Indoor Sound

Live music (whether acoustic or amplified), recorded music and/or any amplified sound will be considered on a case-by-case basis. Facility Support Services reserves the right to determine appropriate equipment and sound level for various spaces. Events are required to reduce sound level if directed to do so by Facility Support Services. Sound levels of events scheduled indoors may be restricted at any time if a potential conflict exists with a previously scheduled event, classes, or other academic uses of UO facilities.

D. Event Set-up and Decoration

Hand-out materials may not be left on public furniture, taped to doors or walls, or left in public spaces outside the event space or venue. Unless specifically approved in advance, the following items are prohibited in scheduled spaces:

- Helium balloons
- Candles (or open flames or any flame producing devices) for events in any UO building, excepting approved wick-fuel/gel pan heating devices for use by catering services. Battery operated lights are allowed.
- Glitter or confetti
- Straw, grass, or hay
- Pools, tubs, aquariums, or other water containers holding more than 5 gallons of water

E. Event Security and Safety

Some events may be considered higher risk than others and may require a security and safety meeting or risk assessment. Events that meet one of the following criteria, as determined by the Facilities Manager (or designee) require a meeting with Safety & Risk Services and UOPD: attendees are expected to exceed 100 people; there is likelihood of violence or civil unrest; the

complexity of the event requires the involvement of multiple campus administrative partners; or unique events that require additional risk assessment and action to protect the health and safety of the campus community. Security and safety meetings are held, or a risk assessment is conducted, to determine whether the nature and scope of an event is likely to require the presence of UO Police Department (UOPD), the presence of UO Fire Marshal, or other public safety measures and/or plans. Security meetings will typically involve the event organizer, someone from Facility Support Services and representatives from UOPD and Safety and Risk Services.

UO Safety and Risk Services (safety@uoregon.edu) may help coordinate this assessment and develop a safety protocol for the event. If Facility Support Services determines the University cannot appropriately manage the event to prevent serious threats to campus health and safety, the University reserves the right to deny space on this basis.

III. FEES

Student Organizations do not pay for space on campus.

College of Design Departments do not pay to use spaces assigned to the College of Design.

Other UO Departments and Unaffiliated User rates are available in appendix A (below).

Labor fees are charged when an event requires labor beyond the normal set up and tear down of the event. Reasons labor fees may be applied to your event include, but are not limited to, the following:

- Extra cleaning is needed (e.g. the removal of trash left on furniture or floors, spraying clean the walls or furniture, shampooing carpets or if extra floor care is required).
- A change in furniture configuration is requested within two business days of the start of the event.
- Extra personnel, security, equipment or resources are necessary to accommodate your event at your request.
